With a childhood passion for painting that evolved into a multifaceted career, I am a creative professional with a passion for art and design. My journey began with a sharp eye for detail and a desire to explore new ideas, I approach every project with creativity and excitement.

I am driven by a desire to learn and grow, and I am always looking for new challenges and opportunities to broaden my horizons. I thrive in collaborative contexts where I can share their unique perspective while working together to achieve common goals.

I enjoy engaging in events and activities that allow me to connect with others and make a difference. My curiosity and many interests make me a well-rounded and dynamic individual who is constantly eager to discover new opportunities and experiences!

Social causes: Sustainability, Environment, Technology, Arts and culture

Experiences

**Oct
2024**

Volunteering and charitable acts

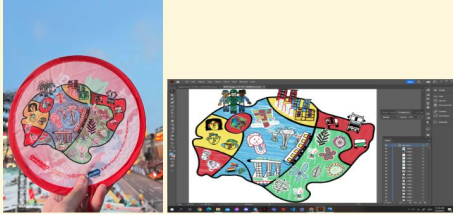

Apr 2023

Collaborated with NDP Executive committee

NDP

I was selected to a team of 5 to collaborate with each other, to redesign digitally of designated works of students of special needs designs.

- I was appointed to lead my team, motivating my team with vision.
- Constantly seeking feedbacks from NDP Executive Committee members.

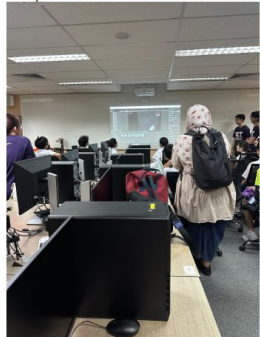

May 2023

Helping Out Pathlight School Student Immersing Themselves In Activities In Ngee Ann Polytechnic.

Ngee Ann Polytechnic

I was helping out with the ushering of group of students to designated location of the activities held. Also teach them how to use VR headset, and how does VR works.

- I gained some leadership skills from lecturing students.
- Planned out activities that suits them, I learnt how to empathize with student with autism needs.

Oct 2022 - Nov 2022

Presenting my winning design with Senior Minister of State for Sustainability and the Environment of Singapore, MS AMY KHOR and ALBA team.

ALBA E-Waste Singapore

I won Singapore's International E-waste Day Art Competition, and was exhibited in Lot One Shoppers' Mall. I was given the opportunity to share and explain my design to Ms Amy Khor and ALBA team on that day.

Nov 2023

Volunteer Staff For Affordable Art Fair

Affordable Art Fair Singapore

I've selected to volunteer in Affordable Art Fair Singapore - that holds 1000s of original contemporary artworks by over 80 galleries from 20 countries!

- I volunteered in the ticketing sector holding 4000+ people. To add on, I also helped out as an usher and people count clicker!
- This volunteering event not only gives me a meaningful experiences but also gives me additional learning opportunities - various ways to manage a big fine arts event.
- I've learnt art managements that managed arts and cultures! Giving me inspiration and techniques to apply art to the business world!

Jan 2024

Usher for LASALLE OPEN HOUSE 24

Lasalle College Of Arts

I guided people from the main entrance to the registration counter for collection of goodie bags.

- I answers questions from students and parents.
- Also guide them towards their preferred location of the activities if needed.
- I learnt how to communicate to different people with a welcoming and friendly tone.

Feb 2020

Leader in charge of Design Group for Yellow Ribbon Project (2020)

New Town Secondary School X Yellow Ribbon Singapore

Gather design ideas from my teammates, implement brainstorm sessions. After that, I planned and consolidate great designs into a logo design.

- Initiated group discussions weekly.
- Constantly consolidating feedbacks from teacher in charge and share it with my fellow teammates.

Mar 2023

Leader representative of my team P1US mobile app pitch in NP X MAPLETREE Hackathon.

NP X MAPLETREE

I was leading my team of 3 for the study of "People With Visual Disabilities", and my goals were to create a brand and design an app called P1US that creates a more inclusive Singapore for PWDs so that they live enriching and meaningful lives.

- I provide clarity of purpose, motivate and guide my team members the goal of the project.
- Emphasize with my team members' needs and goals too.
- I collaborated with team members from different courses, so that it provides different insights and experiences that benefits this project.
- Recommendations given from one of my team members in LinkedIn - "Collaborating with Renee on the Maple Tree X NP Hack 2023 Hackathon was a pleasure! She took the initiative to kickstart discussions, ensured everyone felt heard, and offered insightful points of her own. She took great care to ensure the timely completion of her delegated tasks. Her meticulously designed prototype blew me away — a user-friendly design, practical and comprehensive on its own. Yet, she readily sought feedback. Truly, a teammate who goes above and beyond."

Oct 2022 - Nov 2022

Usher Lead for ICT Open House

ICT Society

After an interview, I successfully got a place as an usher lead, to guide students and parents to designated areas of the school, to places with the use of AR to understand our school's system.
